President's Report

I'd like to start out by welcoming everyone back to the factories. It has been a stressful and tense last couple of months, but I believe all of us, individually and as a Local, have come out the other side stronger and more unified than we were prior to the work stoppage. Once again, I would like to thank our Membership for the respect that was shown to myself and Clyde during negotiations and the ratification meetings.

With the new Traditional Plus and Choice Plus options available to active employees there will be more information in the coming months about the election period and what is available within each option. Everyone should have received their Ratification Bonus the week of December 3rd. The Profit Sharing payout should be coming the week of December 23rd. I'm always willing to answer any questions any of you may have about the new Agreement. Feel free to contact me at the Union Hall or catch me in the shop when you see me.

In relation to the Retiree benefits within the new Agreement, EVERYTHING STAYED THE SAME. The annual lump sum that retirees normally receive in October of each year will come around December 15th of this year and then return to October for the remaining years of the agreement.

The Christmas Eve & Christmas holidays will be observed on December 23rd & 24th and New Years Eve & New Year's holidays will be observed on December 30th & 31st this year.

In closing, I'd like to wish everyone a Happy Holidays! Be safe and enjoy the time with family and friends.

In Solidarity,
Brian Moens
President
