Our Editorial Policy

To Our Readers: This publication is the voice of your local and international union, and it is our main vehicle for bringing you the views and actions of the leaders you elected. The publication is also the voice of the membership, and we welcome articles from UAW members. All articles should contribute positively to the welfare of this union and its members. We will accept no attacks on any union leader or member. We reserve the right to edit letters to the editor for length.

Just a reminder that we have forms in the Union Office at Seeding for any Veteran who would like a UAW Veteran card. I talked with the Company this past Thursday about Veteran's Day. If and when the contract is signed, information regarding Veteran's Day acknowledgement will be sent to me and I will share it with all of you when it becomes available.

I would like to thank the leadership for getting Veterans Day as a paid holiday.
