

Retirees have a new HRA (Health Reimbursement Account) program. The WEX cards you received in the mail will need to be activated. Don't shred it.

For automatic withdrawals for Medicare Part B premiums (\$185 a month) they will ask for your banking information to set up direct deposit. Even though you received 2 cards the program has a spending limit of \$600 a year per household. The cards will be under the retiree's name. Keep the card because like the OTC card they will replenish it every year as long as they still have the program.

The spouses of the retirees can be reimbursed under the retirees account.

This will not affect your OTC benefit. You should have received 2 claim reimbursement forms along with the debit WEX card.

They will also host a webinar explaining the program on uawtrust.org.

You can use it for reimbursements of your Medicare premiums, copays, deductibles, RX out of pocket costs, Dental and Vision out of pocket costs, Chiropractic care, hearing aid costs, transportation costs to and from the doctor's office using Uber or Rideshare.

It's very important to make sure you keep all your receipts to turn in for reimbursement.

If you pay for expenses out-of-pocket instead of using your debit card, you can reimburse yourself. You can file a claim via mail, email, or online.

Mail

IMPORTANT! If you are submitting your completed WEX form(s) by mail, they must be mailed to WEX at the address on the form:

WEX
PO BOX 2926
Fargo, ND 58108-2926

Mailing WEX Forms to the Trust or otherwise will delay processing.

Email & Online

To submit completed form(s) via email, send them to forms@wexhealth.com.

To file online, log into your WEX account at benefitslogin.wexhealth.com (claim forms are not required--you will use the tool within the platform).

Reference the "Welcome to your Trust HRA Benefit" brochure for step-by-step instructions and reference the videos at the end of this webpage.
