Info from Benefits Reps

The posting below was sent out on May 7th. The posting I sent out today (below the 1st posting) is a follow up posting to the one sent out on May 7th. Read through the postings, if the information applies to you and you want to continue your Group and Optional Insurance, you need to contact Benefit Connect.

ADDITIONAL INFORMATION ON GROUP AND OPTIONAL INSURANCE

If you were laid off in March 2023 your Group Life, Group Accidental ended on April 30, 2025. If you were paying for any Optional Insurance the weekly premiums are no longer going to be deducted from your SUB checks. **If you want to keep any of these insurances you will need to contact Benefit Connect immediately so that you can be set up for monthly billing.** The rate for the Group Life Insurance is .50 cents per \$1,000 worth of coverage. For example, if your Group Life Insurance policy was \$75,000 you would be charged \$37.50 per month. Optional Life insurance rates have not changed but you will be billed monthly instead of weekly. Benefit Connect should be able to give you all the information you need regarding the Group or Optional Insurance.
