

## **Special Meeting Notice- Discussion/Vote- Wednesday June 11th**

Afternoon Everyone-

The posting for the meeting is below.

There have been several discussions at Membership meetings, Retiree Meetings and emails that I have sent out about having a vote to allow the Belvidere PDC to join Local 1268. Now that the members of the Belvidere PDC have voted to sever ties from Local 1178, we have been asked to take this unit on within our Amalgamated Local.

The meeting and vote will be Wednesday, June 11th

The voting will start at 3:30 and close at 5:30. The posting below says voting will start after the meeting. The election committee agreed to have the voting open at 3:30 to accommodate the members that want to vote and leave.

For those that would like to ask questions before voting, we will be here to answer any questions.

If the membership of Local 1268 approves the Belvidere PDC to enter the Local:

- The PDC will have their own seniority list that includes those people that are currently working and on layoff. Their list will not merge with the Local 1268 Unit 1 Assembly seniority list.
- The PDC will be assigned their own Unit number within Local 1268 .
- The members of the PDC will still have to submit a Return to Home Plant request to return to Unit 1 Assembly. These transfers will happen when there are openings in Assembly that Corporate is filling.
- The PDC members currently working, will stay on their jobs. This applies to those elected and appointed.
- The PDC chairperson will be added to the Local 1268 Executive Board.
- This will make all current production/ trades work in the plant Local 1268's work.
- It will increase the membership under Local 1268 and bring our members back.
- Dues will go to Local 1268.
- It will give Local 1268 a voice in the decision-making for all jobs in the plant.

Let me know if you have any questions.
