

Afternoon, everyone-

The Local's Committees have worked together to get us involved in Belvidere's Hometown Christmas events this year. If you are interested in participating, all of the information is below.

When the displays are set up, I'll send out some pictures so you know what to look for as far as our entries. If you plan on attending, take a picture in front of the displays and send them to us. We'd love to see the member involvement at this event. Matt Frantzen
