TO: All Local Union Presidents, Recording Secretaries, Financial Secretaries, Area CAP Council Chairpersons and Staff, Region 4 UAW

Dear Union Siblings:

Plans and arrangements for the **2026 UAW National CAP Conference** are now under way. The conference will be held on **Sunday, February 8 and concluding Wednesday, February 11** at the **Washington Hilton, 1919 Connecticut Ave. NW, Washington, DC 20009**.

The National CAP Conference is open to all active and retired members ready to help build a member-centered, member-driven political program. We encourage all attendees to be V-CAP contributors to show their commitment to building our political power. Please note the following is **REQUIRED** as you begin your delegate selection process:

- Participation and attendance at the plenary sessions, activities and workshops is **mandatory**. This is our only opportunity to meet nationally to learn from one another to build our political strength.
- All attendees must participate in our lobbying visits on the Hill to make sure elected officials know our priorities as a union and feel accountable to UAW members.
- Conference closes on Wednesday at 3:00 p.m. Return flights should not be booked before 3:00 p.m. that evening.

Delegates attending have the honor of representing their membership and region at a national meeting. It is also their duty to return to their worksites and share the knowledge gained during their week in Washington. Dues dollars pay for this opportunity, and members deserve nothing less.

The application process for credentials and hotel reservations is available online only. Applications may be completed by the delegates, officers or staff of the local or CAP Council. Once completed, the International will provide weekly registration reports to the Regional Director for final approval by the close of business each Friday. **Registration is complete only upon submission of the registration fee which is \$325.** *Unlike past years, the UAW will not be able to accommodate members' guests, including spouses, partners, and/or companions.* **No refunds will be given for cancelled registrations.** Local unions or CAP councils, however, may replace delegates (pending approval from the regional director). Similarly, a link to reserve a hotel room will be available on the registration website. **Deadline for hotel reservations is Sunday, January 18, 2026,** and we urge you to comply with the informational packet *"Building Power for the Working Class"* guidelines, review them carefully and take the necessary steps to assure that all information is provided.

We encourage you to contact your legislators and invite them to the UAW Reception on Tuesday, February 10th. This is an opportunity for UAW members to share an evening with their congressional elected officials and national partner groups and allies. If a congressperson cannot attend, it is not necessary for them to send aides or staff for representation.

I look forward to your participation in an informative and productive conference.

In Solidarity,

INTRO

We are in a vital moment for the labor movement and for our country. We are facing unprecedented attacks on working families and unions. The world's richest 1% own more than the bottom 95% combined. Corporations are raking in record profits, while workers get left behind. Billionaires are doing everything they can to divide workers and pit us against one another.

Our union, the UAW, must lead if we have any shot at uniting and winning for the working class. This year's CAP Conference is focused on building our political muscle to win at the bargaining table, in the legislative halls and at the ballot box, focused on our core issues: wages, healthcare, retirement, and getting our time back.

The conference will showcase speakers who are leading in their communities, bold legislative solutions for a working-class agenda, and workshops that build the skills necessary to build political power from the ground up.
