SUBJECT: **2026 Coalition Labor of Union Women (CLUW) NEB & Educational Conference**

Greetings:

The 2026 Coalition Labor of Union Women (CLUW) NEB & Educational Conference is taking place, September 24 – 27, 2026, in Washington, D.C., at the Beacon Hotel. EDUCATE, ORGANIZE, MOBILIZE is the focus of this year's conference.

The Women's Department, under the leadership of Secretary-Treasurer Margaret Mock, who also serves as Director of the department, is encouraging Women's Committee members and women leaders throughout the UAW to become members of CLUW and take advantage of the opportunities offered through this year's conference.

CLUW membership connects UAW women with a powerful national network of union sisters committed to advancing working women, developing leaders, and strengthening the labor movement. CLUW membership is also required to attend the conference, so we encourage interested members to join or renew their membership in advance. Please click on this [link](#) for information regarding membership.

Conference participants will have access to educational sessions focused on Get Out the Vote (GOTV), Women's Empowerment, Digital Strategies, and Civic Engagement. These trainings are designed to provide practical tools, strengthen leadership skills, encourage the exchange of ideas, and build connections with union women from across the country.

This conference is more than an opportunity to learn; it is an opportunity to connect, lead, and grow. When union women come together, share our experiences, and strengthen our skills, we build greater power for our members, our communities, and the entire labor movement.

We encourage UAW women to take advantage of this opportunity to educate, organize, and mobilize; and to bring the knowledge, energy, and connections gained at the conference back to their locals, regions, and communities.

Attached is a copy of the conference registration form for your convenience. For more information regarding the upcoming conference, please visit <https://www.cluw.org/>.

Thank you for your continued leadership and commitment to empowering women, strengthening our union, and building a stronger labor movement together.
