Afternoon, everyone-

I'll be out of the office next week and possibly longer due to having surgery. I will have some access to email, but, if you have questions or something comes up, please contact VP Tony Cavallaro at the Hall either by phone 815-544-2111 or by email tonycavallaro@uaw1268.org

If I get any plant updates while I'm out, we'll make sure we get them sent out to everyone asap.

Thanks.
