Please check out the postings and information below.

Sub Pay-

Make sure you are routinely submitting your sub-pay requests. We have some members that are banking weeks and submitting all at once. In some of these situations, those members have missed some weeks by submitting late. If you miss the timeline to submit (75 days) , there's nothing we can do to recoup the lost sub pay for you. Stay within the timelines, force the company to pay you your sub.

Hall Closure (Wednesday, November 11th- Veterans Day)

Thank you to all of our members who have served.
