

WE WENT TO BAT FOR  
**JOE BIDEN...**  
NOW HE'S  
GOING TO BAT  
**FOR US**

**President Joe Biden** has delivered on his promises after only 100 days on the job.

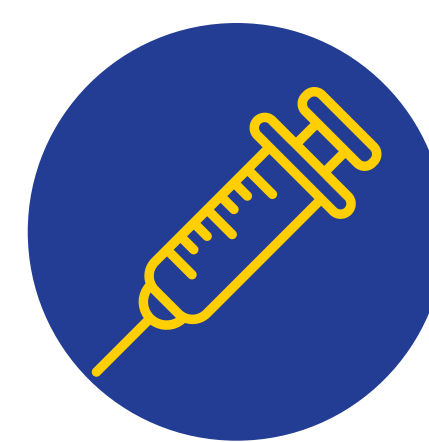

Joe Biden's **American Rescue Plan** is law, and it's making a big difference for UAW members, their families and retirees across the country:

**Helps families make ends meet** with \$1,400 in direct payments, pays all COBRA costs for laid-off workers, and expands child tax credits

**Gives kids a boost out of the pandemic** with \$125 billion to get schools re-opened safely and slashes child poverty by 40%, so students don't get left behind

**Breaks COVID's hold** by investing in pandemic protections and PPE for workers, and spending nearly \$8 billion to get us vaccinated ahead of schedule

**Protects UAW members' retirements** with new rules to make sure that employers fund the pensions UAW members earned with a lifetime of hard work
