# IMPORTANCE OF REPORTING

## THE UAW LUIS SYSTEM

# Why Reporting ?

Accountability to International, Region & Local  
{justify our existence}

Monitor and Evaluate  
{*keep check on progress*}

Efficiency and Improvements  
{*identify needed program changes*}

Sharing Lessons Learned  
{knowledge of resources available}

Clarity in Goals and Direction  
{where we are headed in the future}

# Result of Reporting

The company agreed to recognize the UAW Chaplaincy Program and, when locally agreed upon, chaplains may be provided office space and be released with pay to perform chaplaincy work.

**Language 2015 UAW-FORD Master Agreement, VOL IV-A (pg.171)**

## **Recognition of the UAW Chaplaincy Program.**

During the 2015 negotiations the parties had discussions regarding the UAW Chaplaincy program in which the value and benefit of the various aspects of chaplaincy were identified and acknowledged. The Company and Union have supported Chaplains' attendance at the annual Chaplaincy Conference at Black Lake through the Local Nickel Fund.

In further recognition of these potential positive effects, the Company is amenable to consider requests from the UAW to: (1) inform and explain to local plant leadership the concept of chaplaincy, (2) identify the services chaplains provide, and (3) raise reasonable support requests on such topics as access and counseling space.

Lastly, the parties agree the Grievance Procedure set forth in Article VII of the Agreement has no application to, or jurisdiction over, any matter relating to the UAW Chaplaincy Program.

**Re-negotiated in the 2019 UAW-FORD Master Agreement, VOL IV-A (pg.208)**

# Times Change

The reporting system has gone through many changes over the last few years. We are now blessed to be allowed to use the Luis System.

The Luis system is set up through the UAW for the Secretary – Treasures and Local Presidents.

Chaplaincy Committee is the only Committee that provides reports through the LUIS reporting system.
