PROCEDURE FOR APPLICANTS REQUESTING UAW JOURNEYMAN CARDS

- Application form is available at all UAW Regional and Local Union Offices.
- Application form must be filled out completely, printed in ink or typewritten (except for signatures). Two Union Officers' signatures required in addition to applicant's signature.
- Any Journeyman Card issued is the property of the International Union, UAW and may be revoked for good and sufficient reason, including failure to maintain membership in good standing while working in a UAW plant or on layoff with recall rights.
- Applicant must be a member in good standing in the UAW.
- Applicant must have a completed application form PLUS
 - Two copies of current work record on Company letterhead stationery from a Company under contract with the UAW.
 - Work records from UAW plants must be verified by a LOCAL UNION OFFICER, COMMITTEE PERSON or STEWARD attesting to the authenticity of the work record. The officer, steward or committeeman must indicate UAW Local Union number, date and office held next to his signature.
 - Work records from plants not organized in the UAW must be notarized and computer generated work letters must be accompanied with W-2's or Social Security Statement of Employers and Earnings information.
 - In the case of Apprentice Graduate, two copies of a certificate of completion of a bonafide apprenticeship. If the apprenticeship was served under an agreement other than a UAW agreement, two copies of a schedule of training from shop and school must be submitted.

- Applicants that are non-apprentice graduates are required to submit work records in duplicate from each individual employer on Company letterhead stationery signed by a Company official and designating the specific type of work performed and the dates of such work performance that confirms eight years at the trade or classification.
 - One passport type picture, 1" x 1-1/4", EXACT SIZE NECESSARY, of good quality on a single weight paper.
- Application form must be filled out completely, printed in ink or typewritten (except for signatures). Two Union Officers signatures required in addition to applicant's signature.
 - Copies must be completely legible to be acceptable.
 - Experience gained in military service may be used to substantiate journeyman status provided the applicant can produce detailed records showing experience at the trade. Discharge certificate is not sufficient (DD-214). To obtain military personnel records, write to:
