## PRESIDENT'S REPORT

I hope everyone had a safe and enjoyable Thanksgiving weekend. It was good to get together with family again.

Congratulations to our member of Unit 18, Marshalltown Parks and Recreation employees, who ratified a new agreement on December 7<sup>th</sup>. The new contract will take effect on July 1, 2022, with an immediate wage increase. There will be a wage reopener every year after that through the remainder of the 5-year agreement.

Our Brothers and Sisters at several John Deere factories have a new agreement after a strike this fall. Also, of note, workers at a Starbucks store in Buffalo, NY have voted to unionize. This is a first for the 50-year-old coffee retailer. Elections at other stores are being challenged and are under current investigation. More stores have filed petitions for their own union elections.

Our Community Services and Women's Committee hosted Movie Day last weekend for our children and grandchildren. Santa also made a visit.

Enjoy your Holiday season! Merry Christmas and Happy New Year!

In solidarity,  
Jim Chance

UAW Local 893:

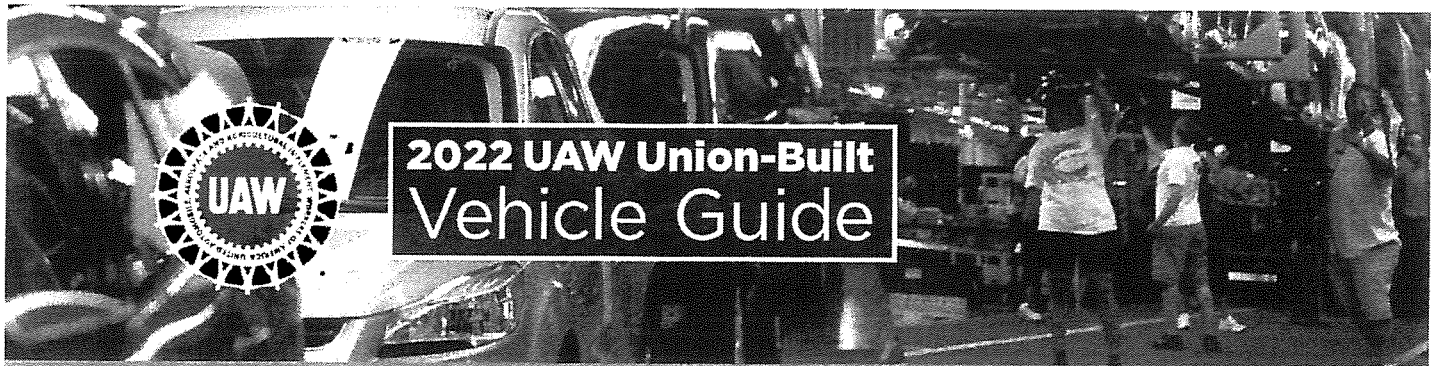

Thank you for the bible in James' memory.  
Marlene and the Family of James Kench

We would like to thank the Membership for allowing us to be delegates for the CAP training at the Pat Greathouse Center in early November. It consisted of 3 days of classes about labor history and the importance politics has on Union and labor issues. As Walter Reuther once said, what the Union fights for and wins at the bargaining table can be taken away in legislative halls. It was a great experience and facility. Anyone looking to get more involved in our Union should throw their name in the hat to go to Ottawa someday, whether that be for the steward schools or standing committee conferences. Thank you!

These vehicles are made in the United States or Canada by members of the UAW and Canada's Unifor union, formerly the Canadian Auto Workers (CAW). Because of the integration of vehicle production in both countries, all of the vehicles listed as made in Canada include significant UAW-made content and support the jobs of UAW members.

However, vehicles marked with a single asterisk (\*) are also produced in Mexico.

All heavy-duty Chevrolet Silverados and GMC Sierras will be built in Flint, Michigan, only. Light-duty Chevrolet Silverado and GMC Sierra regular cabs are produced in Mexico only. Vehicles marked with a double asterisk (\*\*) are the crew cab versions of the Chevrolet Silverado light-duty and GMC Sierra light-duty trucks. Those are assembled by UAW members in Fort Wayne, Indiana, and also in Mexico.

When purchasing a vehicle marked with a single or double asterisk, it's important to check the Vehicle Identification Number (VIN). A VIN beginning with "1" or "4" or "5" identifies a U.S.-made vehicle; a "2" identifies a Canadian-made vehicle; a "3" identifies a vehicle made in Mexico. Not all vehicles made in the United States or Canada are built by union-represented workers. Vehicles not listed here, even if produced in the United States or Canada, are not union made.
