PRESIDENT'S REPORT

I would like to thank everyone who attended the pre-Labor Day picnic provided by the Iowa River Labor Coalition on August 27th. A good time was had by all.

Our State Auditor, Rob Sand, made a visit during his Marshalltown tour. He explained that he is sick of divisiveness in politics and upset with people who intentionally divide us from each other. The state is better when acting as a whole and not divided by political party lines. I will have to agree. We were able to sit down and have a good discussion with him. Then you to all who donated their time to make the picnic possible.

I was fortunate to attend the Iowa Federation of Labor Convention last month. There were several interesting speakers and candidates throughout the convention.

We will be participating in the Oktoberfest parade once again this year. Please join us if you can.

You should have received a mailing concerning the election for the UAW International Executive Board. If you did not, please contact the UAW Hall to verify that your current address is correct. Please vote when you received your ballot in the mail.

In solidarity,
Jim Chance

Sid Hass called this meeting of the retirees open for any and all business that may properly come before it. After the Pledge of Allegiance, roll call of officers was taken. The minutes of our last meeting are posted on the bulletin board.

Financial Report: Sid gave the report. A motion to approve the report was made by Reita Acord. Seconded by Willie Acord. Carried.

Old Business – None.

New Business – Asked if anyone was present that wanted to fill our vacant Financial Secretary position. We will put that on hold for now and try to fill it next month.

The Oktoberfest parade is coming up next month. If anyone wants to participate, we will have more information coming.

A motion is needed to purchase cookies for the Veterans Home in November. Reita Acord made a motion to spend \$150 on cookies. Seconded by John Luthe. Carried.

There are t-shirt order forms here to buy them for Cancer Awareness. There are also requests for absentee ballots to be sent to you.

Our grills are shot. New ones need to be bought by next year. Reita Acord suggested that Ace Hardware has a special that they will assemble and deliver grills. A motion to buy 2 new grills was made by Willie Acord. Seconded by Rich Park. Carried. It was discussed that we ask the Executive Board to help cover the costs.

Birthdays & Anniversaries: Larry & Linda Opperman – September 5th – 53 years, Richard and Judy Dunsmoor – September 7th – 59 years. Willie Acord Birthday and Anniversary. Diane Hass birthday – September 9th.

Advanced Summer School

I thank Local 893 for allowing me to attend Advanced Summer School in Ottawa, IL.

August 15-19, 2022.

Curriculum included topics on legal rights, OSHA, Diversity in the Workplace, Unlearning Hate, and Bargaining.

The staff was knowledgeable, the food was great, and the campus is awesome with great views of the Illinois River from the dining hall. In the evenings, we had a hot dog cookout, a cornhole tournament, and movie nights. I hope to return in the future.

In Solidarity,
Andy Oxley

These vehicles are made in the United States or Canada by members of the UAW and Canada's Unifor union, formerly the Canadian Auto Workers (CAW). Because of the integration of vehicle production in both countries, all of the vehicles listed as made in Canada include significant UAW-made content and support the jobs of UAW members.

However, vehicles marked with a single asterisk (*) are also produced in Mexico.

Heavy-duty Chevrolet Silverados and GMC Sierras are built in Flint, Michigan and Heavy Duty Silverados are built in Canada. Light-duty Chevrolet Silverado and GMC Sierra Regular Cabs are produced in Mexico only. Vehicles marked with a double asterisk (**) are the crew cab versions of the Chevrolet Silverado light-duty and GMC Sierra light-duty trucks. Those are assembled by UAW members in Fort Wayne, Indiana, and also in Mexico.

Canada produces the light Duty Silverado Crew Cab but not the GMC version. When purchasing a vehicle marked with a single or double asterisk, it's important to check the Vehicle Identification Number (VIN). A VIN beginning with "1" or "4" or "5" identifies a U.S.-made vehicle; a "2" identifies a Canadian-made vehicle; a "3" identifies a vehicle made in Mexico. Not all vehicles made in the United States or Canada are built by union-represented workers. Vehicles not listed here, even if produced in the United States or Canada, are not union made.
