## WHAT IS V-CAP CHECK-OFF?

The UAW's V-CAP Check-off is a voluntary program that allows each member to make a modest contribution each month to help your union support candidates who care about American workers and their jobs.

By law, union dues cannot be used to support any federal candidate, and in an ever-increasing number of states, any candidate for public office. Our only means of monetary support for many labor- endorsed candidates is voluntary political contributions which are put into the International Union's political action fund, UAW V-CAP.

The UAW has negotiated with many employers the right to a bargaining unit check off. All that is necessary is for the UAW member to sign a check off card that instructs the employer to deduct an amount selected by the member. A \$10 per month contribution amounts to less than 34 cents a day, a \$20 per month donation amounts to the cost of a cup of coffee a day and so on. It doesn't sound like much, but when you count our members it can add up to a much-needed campaign fund.

**PROTECTING OUR COLLECTIVE BARGAINING GAINS THROUGH POLITICAL ACTION** is the goal of UAW V-CAP. Supporting V-CAP should be a priority among all UAW leadership. This is not just a "CAP issue," it is a total UAW issue.

**If you are a current V-CAP check off contributor, you can also take advantage of this offer by increasing your monthly contribution.**
