The 2021 International UAW Women's Conference will be held virtually through Zoom on **Saturday, November 20, 2021.**

Conference Program

"Moving Change Forward"

November 20, 2021

10:00 AM to 12:30 PM EST

Building on the mission of the UAW Women's department of taking a forward approach of viewing everything through a race-class lens and making a legislative impact, the virtual Women's Conference will focus on lobbying within our workplaces, our communities and within the legislative halls. The virtual conference will be interactive and feature speakers, facilitated workshops and breakouts.

The conference will take place over two and half hours and will include:

- how to take conversation and turn it into action
- legislative issues affecting women and working people as a whole
- lobbying training

Eligibility to Attend

This conference is open to UAW members in good standing who are serving on their Local Union Women's Committee, or for those interested in establishing a woman's committee. Local Unions are encouraged to register first time delegates who have not attended in the past. Capacity is limited to 245 delegates.

2021 Virtual Women's Conference Best Practices

For the best virtual conference experience, delegates are encouraged to use a computer or a tablet with a camera, preferably not a smartphone. Connecting via phone will not allow full participation in the virtual conference experience. Delegates will need a stable internet connection. The meeting may be recorded and potentially shown to other members for training purposes in the future.

Registration is open November 3rd through November 12th, 2021.

Local unions will register online through LUIS, starting November 3, 2021, by using the username and password listed below:

Regional Allocations and Approval Process

The regions will approve their delegates by November 15, 2021. The approved delegates will be notified via email that their registration is complete. Delegates who are not approved will be notified via email that the conference capacity is full, but that they will be put on a waitlist. Approved attendees of the virtual conference will receive a zoom link, via email, days prior to the virtual conference.
